

The Art of Aesthetics SCHOLARSHIP

4-Year High School Scholarship

Oak Grove students learn to use their minds, their bodies, and their hearts well because the overarching themes expressed in the Arts of Living and Learning are embedded in the school's culture, curriculum, classroom practice, and expectations of student learning.

The aim of this scholarship is to honor students that demonstrate sensitivity and appreciation of beauty in all forms through artistic expression. This includes but is not limited to art, ceramics, music, photography, theater, or dance. Oak Grove High School offers a wide variety of electives that encourage students to explore their passions and cultivate creative expression.

The admissions committee awards the scholarship to incoming freshman who live locally, plan to attend all four years of the high school program, remain in good academic standing, and have an interest in pursuing the visual and performing arts.
